

Patient Name: Johnathan Smith

DOB: 04/12/1983

MRN: 10293847

Referring Physician: Dr. Alice Nguyen

Date: 08/20/2025

Reason for Referral:

Patient presents with chronic lower back pain persisting for 6 months. MRI completed on 07/15/2025 showed mild degenerative disc disease at L4-L5.

Medications:

- Ibuprofen 600mg PO q8h
- Cyclobenzaprine 10mg PO qHS

Past Medical History:

- Hypertension
- Type II Diabetes Mellitus

Plan:

Referral to physical therapy for evaluation and treatment. Consider pain management consult if no improvement.
